Press Release

Acquisition of Krishna Super-speciality Hospital, Bathinda, Punjab

Expanding its footprint in North India, **Park Medi World Limited** (NSE: PARKHOSPS; BSE: 544645), North India's 2nd largest chain of hospitals, has acquired 250 bedded Krishna Super-speciality Hospital, Bathinda ("**Hospital**"), transitioning from managing to fully acquiring the 250-bed Hospital in Bathinda. The Park Group has been managing operations of Krishna Super-speciality Hospital since July 2025, and has now acquired 100% shareholding from the current promoters in an all-cash deal for ₹40 crore.

This Hospital is a comprehensive healthcare hub featuring:

- ❖ **Infrastructure:** 250 beds (including 70 ICU beds), modular OTs, and automated labs.
- ❖ **Expertise:** Highly-trained experienced medical professionals across multiple super-specialities such as Cardiac Sciences, Endocrinology, Neurosciences, Oncology & Radiation, Orthopaedics & Joint Replacement, Urology & Nephrology, Critical Care, Gastroenterology and more.
- ❖ **Strategy:** This acquisition strengthens Park Group's cluster-based growth model, driving operational synergies and clinical excellence across North India.
- ❖ **Social Impact:** The Hospital aims to bridge the healthcare gap for rural and economically-weaker communities, providing metropolitan-grade care locally and affordably.

Speaking about the acquisition, **Dr. Ankit Gupta, Managing Director, Park Medi World Limited**, said:

"We are proud to announce the acquisition of Krishna Super-speciality Hospital, Bathinda, marking a significant milestone in our mission to provide world-class healthcare across North India. After managing the hospital's operations for the past several months, we have committed to bring this 250-bed facility fully into the Park Medi World family. Centrally located to serve both metropolitan and rural patients, this hospital will help us in bridging the gap between urban and rural medical access, reflecting philosophy of our Founder, Dr. Ajit Gupta, 'wellness for all' – ensuring that premium, life-saving care is not a luxury, but a reality for every family in the Northern Region."

About Krishna Super-speciality Hospital, Bathinda, Punjab

Strategically positioned in the heart of Bathinda, Krishna Super-speciality Hospital, owned by Mahip Hospitals Private Limited, is a premier 250-bed facility designed for maximum accessibility. It serves as a vital healthcare hub for both urban and rural districts, offering a centralized location for multiple super-specialties. The Hospital integrates advanced care in fields such as Cardiac Sciences, Neurosciences, Oncology, Orthopaedics, and more, bringing world-class medical expertise and highly trained professionals together under one roof.

About Park Group

Park Group is North India's 2nd largest Hospital Chain, currently operating **14 hospitals** with a combined capacity of **3,250 beds**. Park Group is in process of integrating additional seven hospitals which are under various stages of execution and it will add **2,010 beds**. These expansions will take Park Group's total bed capacity to **5,260 beds** by March 2028, underscoring its aggressive growth and leadership in healthcare delivery. The Group has established a strong presence across key cities including **Delhi, Gurgaon, Faridabad, Panipat, Karnal, Sonipat, Ambala, Mohali, Patiala, Bathinda, Behror and Jaipur**.

Built on a commitment to accessible, high-quality healthcare, Park Group offers a comprehensive range of clinical services—spanning super-specialities such as cardiology, neurology, oncology, orthopaedics, gastroenterology, critical care, nephrology, and women & child health. Each facility is equipped with modern medical infrastructure, advanced diagnostics, 24×7 emergency support, and multi-disciplinary teams delivering evidence-based care.

Through continuous expansion and strategic investments, Park Group is strengthening its mission to build a dependable, technology-enabled healthcare ecosystem that serves both metropolitan and regional communities across North India.
